Title of Minor Project: Green Approach in Organic Transformations using Polyoxometalates as Catalyst

UGC File NO: F. No. 47-2056/11(WRO) dated 23 Feb 2012

Details of Publication:

Seminar Proceeding Title: Chemistry and Its Role in Human Development

Publisher: Dr. Patangrao Kadam Mahavidyalaya, Sangli. 2013

ISBN **978-81-925021-0-6**

Title: Waugh type enneamolybdomanganate(IV) catalyzed synthesis of amidoalkyl naphthols

Authors: Amit R. Supale*, V. M. Gurame and G. S. Gokavi.

Page No: 4-8.

Paper Presentation at Conferences:

A] i) Title of Paper: Kinetics and Mechanism of Oxidation of Propanediol by Enneamolybdomanganate(IV)

V. M. Gurame, A. R. Supale, S. H. Patil and G. S. Gokavi

Poster Presentation

ii) Title of Conference: Emerging Trends in Chemical Sciences

iii) Organized by: Department of Chemistry, Solapur University, Solapur.

iv) Status: International

v) Date: 02/11/2012 to 04/11/2012

B] i) Title of Paper: Oxidation of Oxalic Dihydrazide by Bromate in Aqueous Hydrochloric Acid Medium: A Kinetic Study

R. S. Yalgudre, V. M. Gurame, V. A. Kalantre, A. R. Supale and G. S. Gokavi

Poster Presentation

ii) Title of Conference: Current Research in Chemical Sciences

iii) Organized by: Department of Chemistry, Shivaji University, Kolhapur.

iv) Status: National

v) Date: 22/01/2013 to 23/01/2013
